

Public Notice

The Sabine Regional Flood Planning Group (SRFPG) is seeking nominations for an individual to replace the **electric generating utilities** representative on the SRFPG. This group is part of the state flood planning process and is responsible for developing flood plans for the region.

For more information see: <https://www.twdb.texas.gov/flood/planning/sfp/index.asp>.

Nominations for membership are due to the SRFPG no later than January 24, 2025.

The ideal candidate will have experience in and a continued strong interest in working cooperatively on public issues; be committed to and possess expertise in flood risk-related issues; be strongly affiliated with and endorsed by the interest category for which they are nominated and be capable of playing a leadership role in a regional flood planning group. Interest group representatives will be responsible for representing a diverse group of regional stakeholders, and this representation may involve considerations that extend far beyond their own personal or professional interests or concerns.

The primary considerations for selecting nominees to the RFPG will be individuals who

- demonstrate a willingness to work toward the common goal of developing a flood plan for their region and possess the ability to broadly represent the entire regional flood planning area and fairly consider all interests in deliberations,
- demonstrate ability and willingness to attend meetings quarterly or more frequently, participate and contribute proactively, and dedicate the significant time and attention required throughout this new process,
- possess the ability and temperament to potentially serve in a leadership role within the RFPG at some point,
- possess expertise/experience in and/or an understanding of flooding risks and flood planning, and
- demonstrate a commitment to public service and to the state and regional flood planning process, including the associated Guidance Principles and the overarching intent of Senate Bill 8 for the benefit of all Texans.

For additional information regarding background on the regional and state flood planning process, responsibilities of RFPG members, and guidance principles, see <https://www.twdb.texas.gov/flood/planning/sfp/index.asp>.
